

FOR IMMEDIATE RELEASE:

Fox International launches a redesign for its marketing site.

September 11, 2006 - Bedford Heights, OH -

The team at Fox International has redesigned its marketing website www.foxadvantage.info. Adding simplicity and aesthetically pleasing vistas was only the beginning of the project. A lot of effort went into content and building upon the previous foundation. With the new site potential clients will not only see for themselves how Fox differentiates itself from the competition online, but they will be able to see immediately what we are capable of in terms of functionality.

The website is now live and can be accessed with any web browser at <http://www.foxadvantage.info>. For further details and information, email the marketing team at contact@fox-international.com.
